ABOUT BLED: Bled is a popular tourist destination. The town of Bled stretches along the shores of Lake Bled and offers many possibilities for accommodation and easy logistics. What is even more interesting is the fact that you can watch rowing from your hotel room or if you decide to watch from close up you can easily access the venue on foot.

The Bled rowing course is known as one of the most beautiful rowing courses in the world. Our new and improved rowing center provides an ideal opportunity for competitors to row and spend some time in beautiful surroundings. The Rowing Course on Lake Bled is located on an amazing and quite unique position. The center of the town of Bled, all the entire infrastructure, hotels, restaurants and shops are situated on the lake shore itself as well as around the Rowing Course. Participants will be able to access the Rowing Course as well as the other places of interest on foot.

EASY ACCESS FROM ALL OVER THE WORLD: Slovenia lies in the heart of Europe. It borders Italy to the west, Hungary to the east, Austria to the north and Croatia to the south. Slovenians like to say that Slovenia is located on the 'Sunny Side of the Alps'. Due to Slovenia's geographical position, access to Bled is very easy, quick and affordable. Everybody can easily reach Slovenia by plane, train or car. When coming to Slovenia, you can also explore vicinity of Bled, Slovenia in general and its neighboring countries as well. We offer different excursions to neighboring countries-for example a one day trip to Venice.

ABOUT SLOVENIA: The picturesque country of Slovenia invites everyone to indulge in its beautiful landscape, good wine and culinary delights. A variety of outdoor activities is within reach, just an hour's drive from the capital, and a one and a half hour's drive from Bled. You can set out to discover the underground Karst world, take a boat ride at the seaside or on the rivers or lakes. Discover the countryside riding a white Lipizzaner horse; set out into the mountains on a bicycle or go for a hike; taste different sorts of wines, and descend the snow-covered slopes on skis or play golf with your friends.

WHY BLED: Have an incredible experience in our beautiful country!

6 main reasons WHY you should come to Bled:

- experience rowing on one of the most beautiful courses in the world,
- easy access to Bled and Slovenia,
- central location of the rowing course,
- within walking distance to the rowing course from most hotels and walking distance to most other activities,
- state of the art infrastructure,
- long tradition of hosting rowing events.

ACCOMMODATION: Bled offers a large selection of five-star and four-star hotels, as well as more affordable hotels in lower categories. Numerous private rooms, youth hostels and camping facilities guarantee accommodation for every budget. Most of the accommodation facilities are close to the Regatta Center, a lot of them even within a walking-distance. There is already a lot of demand for accommodations and since facilities are, despite the large selection, limited, we would recommend you to book your stay as soon as possible at the Organizing Committee (accommodation@wrmr2017.com). When/if you decide to book your stay, please contact the Organizing Committee since all bookings can be made only through the OC.
