

The Schaffhausen Rowing Club is one of the oldest rowing clubs in Switzerland. Based at our own property in Langwiesen, our 250 members row on the arguably most beautiful section of the Rhine. Due to a further development of performance rowing, we are looking for a personality from inside the rowing world as

Head Coach, 30%

Tasks

We are looking to further improve the healthy development of competitive rowing in our club. Young people should be motivated to celebrate successes at national and international regattas, taking into account their abilities. Your tasks are as follows:

- Main responsibility for training and participation at regattas including transport and accommodation
- Management of the coaching team
- Cooperation with other clubs and the Swiss Rowing Association
- Direct coaching of individual teams
- Organization of participation at long-distance tests and training camps
- Create and implement training plans based on the swiss rowing manual for top-class sport
- Regular involvement and orientation of the parents of athletes
- Recruitment of novice teenagers for the regatta team
- Support for our recreational rowers

Requirements

We are looking for a rower with training as a coach for competitive sports with a federal certificate, coach for elite sports with a federal diploma or equivalent training. You are methodologically competent in dealing with young people, their parents and club officials. You are fluent in spoken and written German and/or English. You have a driving license B and preferably BE (with trailer).

We offer

You can expect a well-rehearsed volunteer team of coaches, consisting of seven committed colleagues, a top infrastructure with a total of 50 boats and a new, spacious fitness room. The club board is innovative and modern. We support your further personal training. Your employment conditions are based on the recommendations by the Professional Association of Coaches for Performance and Elite Sports Switzerland. Among other things, this means 5 weeks vacation and 13 monthly wages.
